Betty Gilomen Remains In our Hearts

Betty served on the Castle Rocker's Board for 6 years. She diligently saw to it that everyone got on the bus in Northfield and she worked on many committees to ensure that everyone would have a great time on the trips and at the quarterly parties. She will be greatly missed by all of the Castle Rocker's as she was a vibrant member of our club. Betty is now in heaven working on that planning committee.

The Castle Rocker's Travel Club donated \$50.00 to St Dominic's Church and \$50.00 to the Northfield Lion's Club in her name. These were 2 of her favorite charitable organizations.

Alice Nasby has graciously accepted the vacated position on the Castle Rocker's Travel Club Board. Thank you Alice.

The Mystery Trip

Again, the Castle Rockers have had a surprising and enjoyable Mystery Trip. It was a long ride this year. We started out at Spomer Classic Cars and Signs in Worthington. Marv and Jeannine have an amazing collection of neon signs some dating as early as 1903. Next stop was Luverne to visit the History Center, the Brandenburg Center and the Military Museum. Exhausted, we settled in at Rambling River Casino in Flandreau, South Dakota for the night. Friday morning we went to the pipestone National Monument. It's a long drive but everyone has agreed that the two hours there was time well spent. We were able to watch a pipe carver and hear first hand the stories of his family and their years in the quarries and carving pipes. We enjoyed lunch in Pipestone and then a ghost tour. The food has been great, sites have been interesting and the company has been outstanding.
